Lessons in Leadership

"The whole is equal to the sum of all its parts"—so goes the theorem. In this book, we have recorded the events of a school year; and it is our intention to prove that all phases of school life are contributing factors to the development and continuance of the school—and that no one factor is more essential to the life of the school than in good leadership.

Youth is malleable, and the influences exerted during the formative high school years are of tremendous force and incalculable value. The student must be led to make wise choices, to exercise good judgment, to acquire the knowledge necessary for the performance of his future life's work. Here at Coughlin, we have been fortunate in our principal and faculty. From them we have had wise and constructive leadership. Because of this high quality of leadership, we have learned to know "the good that comes from instruction."

In the democratic society of a public high school every student finds the joy of companionship with those of his own generation. And, as the four years of the high school cycle turn, out of "all the companions of joyful school days," there appear, sometimes as if by magic, persons qualified to fulfill the position when the need for leadership arises. From the school group, there come—the class officers, the club president, the athlete, the actor, the editor, and "all the persons" who contribute their share of young strength and enthusiasm, intelligence and humor to the life of the school. These young people exemplify all that is best in life.

For example, the athlete has learned "to value the game beyond the prize," only because his leaders have taught and personified good sportsmanship. The lessons in leadership have been many, and well taught.

Lessons in leadership! Each page and each picture is visible proof of our theme. We hope that we have thus succeeded in making the 1952 Breidlin a memorable experience for everyone.

FOREWORD

Joe G. Glick Anne Marie

Alma Mater

Bessie Stella Jones, '07

*Hail to Coughlin, Alma Mater,
Stepping stone to fame,
For the student and the athlete
With his zeal aflame.*

*Pleasant memories cluster 'round it,
Of its prestige proud,
While the promise of the future,
Beams through every cloud.*

*When life's noontime joy has vanished,
Lost in reverie,
Like the glory of the sunset
School-day dreams we see.*

Chorus

*Winning in the field and forum,
Keep the goal in view;
Shout in chorus for our banner,
Wave the Red and Blue.*

DEDICATION

Through the years our school has been most fortunate in its leaders, and we of the present generation have received a proud heritage.

First, there was Mr. Jacob P. Breidinger, beloved of many generations of Coughlin students whose wise counsel was an inspiration to every student who knew him. Then, as Mr. Breidinger's years as principal drew to a close, by his side there appeared another great man who was to take his place.

In nineteen thirty-two, Mr. John H. Super became principal. It was with a deep sense of loss that we saw Mr. Super retire in June, nineteen fifty-one. Each of our lives was enriched by this man who made education his life's work.

In September of nineteen-fifty-one Mr. Francis T. Truscott became principal of Coughlin High School; and, for the third time we have been unusually fortunate in our principal.

During this past year Mr. Truscott has won the admiration and respect of the faculty and students.

We have learned to seek his wise counsel and guidance. We have been deeply impressed by his friendliness, sincerity, and courtesy.

With the hope that our appreciation of his leadership might be expressed more fully by some outward evidence, we, the class of nineteen fifty-two, as a symbol and token of our appreciation for his earnest endeavors to help make our senior years a memorable one, do respectfully dedicate this yearbook to Mr. Francis T. Truscott.

The culmination of four years of hard work for forty-five Coughlin seniors was the announcement made by Mr. Truscott in chapel assembly, naming those who had been chosen as members

of the **NATIONAL HONOR SOCIETY** for nineteen fifty-two. As each chosen student's name was read, a smile and a deep sigh of relief escaped him. At last!

Each member will wear his pin with pride.

Open Letter to the Class of '52

To the Members of the Class of 1952:

You have reached the point in your life that, just a few years ago, seemed a long way off. You and your parents have dreamed of the day when you would graduate from high school. But, since all good things come to those who wait, your day of realization has come.

We have tried in Coughlin to point out to you those things that will count most as you travel through life. If you have learned that honesty, courtesy, and character are the important factors, we shall feel that we have accomplished our purpose. You will always be faced by a conflict between good and evil. Have the courage always to do what is right, and your life will be of benefit to yourself and your community.

Young people of today are confronted with many questions. Are we going to have another war? Shall I continue my education? Is it possible to plan my future? I wish I could answer those questions for you. But I do hope, whatever you decide your future will be, that you won't lose faith in yourself, your country, your God. Our country has gone through many crises; and, mainly, because of the faith of our young people, it has always passed them safely. With your continued faith and confidence, I know we shall be able to solve our present problems and return to normal living.

Now the time has come for you to go your various ways in life. For some of you graduation will mean the end of your formal education. Others will go on to a more advanced phase. You all have been most fortunate in your high school years. Your lives have been enriched through your contact with a man of unusual educational stature—Mr. J. H. Super. His fine influence will always be a source of inspiration to you.

May God be with you, Class of '52; and, as you become alumni of Coughlin, we wish you the best that life can offer.

Sincerely,

A handwritten signature in dark ink, reading "Francis T. Truscoe". The signature is written in a cursive style with a large, looping initial "F" and a stylized "T".

Dear School, to you
We bid adieu—
And our hearts fill with sadness;
For, the warmth and the gladness
That you give we must leave—
Yet smile, not grieve.

To teachers, too,
We say adieu—
Singing praises forever—
For the guidance you render,
And the knowledge you share—
A gem, so rare.

And, all of these mem'ries
We'll cherish through years,
Though time will make us old.
The fun that we had,
Through all of these days,
Will make us sigh
For days gone by.

The future calls
Us, one and all—
Chosen paths we must follow.
We'll not be here tomorrow,
Dear Friends. Farewell!

Coughlin Cover Girls

Left to right: Sandra Jenkins, Janet Koval, Corinne Fronzoni, Elaine Petro, Helen Leskanich (and "Mr. Panda").

Five seniors girls were chosen last October, by the students of Coughlin High School, to appear as **Cover-girls** on the five issues of the "Journal". The girls were chosen for leadership, appearance, and personality.

Corinne Fronzoni's picture appeared on the Hallowe'en issue, Sandra Jenkins' on the Christmas Journal, Helen Leskanich's at Valentine's Day, Elaine Petro's at Easter, and Janet Koval, in cap and gown, appeared at Graduation.

One of these five girls, Helen Leskanich, was chosen "Miss Breidlin" at a later contest. Coughlin students were pleased and proud to be so beautifully represented.

The advertisements and patrons' list for the Journal and Breidlin are assembled by the Business Staff. To the Art Staff the school owes all the art work in the Journal and Breidlin. Mrs. Margaret R. Service Club-Girls' Athletics

Grand March at Hallowe'en

Key Club once again filled a very active year by sponsoring a number of important events. Included on their agenda were the distribution of tuberculosis posters throughout the city, sponsoring dances after basketball games, decorating for special events, and playing records for "Club Lunch-time". Along with this, they assisted the Kiwanis Club on some very important projects and held interesting luncheon meetings with very notable speakers.

The **Girls' Athletic Association**, usually known as the G. A. A., has had many interesting projects throughout the year. The general purpose of the G. A. A. is to create a liking for girls' athletics, and the club admits to membership all girls who are interested in girls' sports. Combining with **Key Club**, they have been able to sponsor the Hallowe'en Dance, the Mistletoe Dance, and the Valentine Dance. Last, but not least, was the sponsoring of the Hallowe'en Party for freshmen girls.

Music-Choral and A Cappella

State Music Festival preparations

The **A Cappella Choir** and the **Commencement Chorus**, both under the direction of Miss Weiss, are Coughlin's two well-known singing groups. The Choir, whose busiest season is Christmas, when they bring joy to many hearts, sang at General Hospital, Mercy Hospital, the Wyoming Valley Hospital, Veterans' Hospital, the Sutton Home, and the Republican Women's Club. They presented a striking picture with their Christmas tree formation as they sang before the student body for the Christmas program. They also gave a spring music program at the Veterans' Hospital, sang in chapel, and participated in the "Night of Music," together with the Band and Junior Symphony Orchestra. Five members of the Choir represented us at the Pennsylvania All-State Music Festival held at Meyers. The **Commencement Chorus**, after much practice, presented a program in chapel and sang during commencement exercises.

Music—Band and Orchestra

Mr. Meucci leads the Band

"Here Comes the Band" echoes through the halls of Coughlin as a faint drum beat is heard. Then we see the military formation and hear the striking music as our **Band** comes marching in full array. Our **Band** is seen on such occasions as football games and parades. The Band directors changed when Mr. Otello Meucci was inducted into military service. The Band is now under the direction of Mr. Schmidt.

Our "old faithfuls" at Coughlin perform during chapel exercises, playing tuneful and ear-catching melodies. They are none other than our **Varsity Orchestra**. Always on the job, they provide music for the senior high school assembly and for most school events.

Following in the footsteps of the Band and Orchestra comes our **Junior Symphony Orchestra**, under the direction of Mr. Clyde Owens. The Junior Orchestra has had an active year not only in the school but the community as well.

Modern Language Clubs

German Club elects officers

Parlez-vous Francais?, or Sprechen Sie Deutsch?, or maybe you're a non-linguist who speaks only English. But, for members of the French and German Clubs, language-interest has run high this year. The FRENCH CLUB held an initiation for new members. Elaine Petro sang "Paris", and Barbara Hudak played a piano solo called "Salut a Pesth". Le Cercle Francais participated in the joint-meeting of the Language Clubs and offered a piano solo, a vocal solo, a tap dance, and a novelty song. Square dancing made the evening complete.

DEUTSCHER VEREIN, which holds monthly evening meetings, sponsored two weiner roasts, a year-end banquet, a program for the Language Clubs, which included a vocal solo, a duet, a monologue, and a comedy piano solo. At commencement the club awarded prizes to four students of German. Miss McHugh advises the French Club, and Mr. Riemensnyder advises the German Club.

Public Speaking and Dramatics

The Masquers study "theatre"

The campaign is on and members of SPEAKERS' CLUB are out in full array to tell us of the importance of the Breidlin and the Journal. To speak in the subscription campaigns is the primary function of this club; and, to their task, this year was added the speech-making for the sale of the new Journal Supplement. Of course, this was not all; for Speakers' had an interesting program of panel discussions which members presented at regular monthly meetings.

The cast of the Senior Play was selected from among the thespians of Coughlin, MASQUERS. Masquers is made up of selected students who participate in all our school's dramatic entertainments. Included on its agenda are the Journal and Breidlin Skits, the Christmas Play, and a host of other enjoyable programs.

Last, but not least, we cannot exclude the STAGE CREW from our comments, for they have contributed many services in a friendly and helpful manner. Among their many activities are clean-up, repairs, and stage-setting.

Senior Play

One of the most outstanding performances ever presented at Coughlin was the never-to-be-forgotten play, "You Can't Take It With You", directed by Miss Myvanwy Williams. The play which told a story of a family and its problems left a warm impression in the heart of everyone in the audience. The Senior Play of '52 will be long remembered.

Ancient and Modern Languages

Comites Latini and a "comrade"

"Double, double toil and trouble fire burn, and caldron bubble."

No! The witches aren't telling Macbeth's fortune, but they did tell the fortunes of some members at one regular monthly meeting of COMITES LATINI. Other programs presented have included a Christmas party, charades, skits, quizzes, and a year-end banquet. The club also sponsored a weiner roast, a freshman vocabulary contest, a chapel program, a color day, and awards to the seniors maintaining the highest average. They enjoyed a theatre party, seeing "Quo Vadis".

SPANISH CLUB enjoyed a busy year. Among their activities were a weiner roast, initiation, Christmas party, where traditional Mexican games were played and gifts exchanged, outing, and a guest program by King's College Spanish Club. They acted as hosts at the joint meeting of language clubs, and plan to give an award to the student with the highest two-year average in Spanish. Both language clubs have flourished under their able advisers, Miss Sarah Wagner and Miss Rita Carlin.

Two Active Hobby Clubs

Expert collectors make a display

A hobby, according to Webster, is "a favorite pursuit"; so, that must be the reason for the large membership of two of Coughlin's hobby clubs, the GIRLS COLLECTORS' CLUB and PEN PALS. The Girls Collectors' Club meets once a month at which time the material which they collect is distributed by the club adviser, Mr. Booth. The members make collections of autographs, stamps, or "traders" cards. Each year the club leaves some display to the school. The Pen Pals Club, which is made up of seventh grade geography students, has proved a very popular one. These students correspond with boys and girls in the United States, possessions of the United States, Europe, Australia, New Zealand, and South America. They received pictures and editorials about the king's death and the new queen from England. Each week these letters are read and discussed at their meeting. They also participated in an Easter Egg Hunt at Kirby Park and sponsored a Spring Dinner.

Arts and Sciences

Miss Evans helps plan a project

Ars gratia artis might well be the motto of Coughlin's ART CLUB. These talented students went on several trips during the year. On one occasion, accompanied by Miss Evans, they viewed the art exhibit and "Art by the Yard Contest" sponsored by Bergman's. Stanley Yudiski won ten dollars, fourth prize in the high school group, with his pencil sketch of the out-of-doors. They also saw, at the Jewish Community Center, Water Colors of the United States and an exhibit of works of Pennsylvania's artists sponsored by the Pennsylvania Power and Light Company.

SCIENCE CLUB, always a popular one with Coughlin students, presented several interesting and informative programs. Among these were slides "Sugar Through The Ages", and talks by Mr. F. H. Super, and Mr. C. Richards. The club also presented three awards to outstanding students: one each in biology, physics, and chemistry. Club advisers are Mr. Hensley and Mr. Lewis.

Teen-Age "Y" Clubs

Miss Dixon meets "the cabinet"

"To create, maintain, and extend, throughout the world and community, high standards of Christian character." This is the purpose of the nation-wide fellowship of the Hi-Y. The Coughlin Hi-Y which is affiliated with the Wilkes-Barre Central Y. M. C. A. has had a very successful and interesting year. One of the Hi-Y's annual duties at Coughlin is the sale of name cards. The Hi-Y was represented, at the Hi-Y State Conference held at Milton, by a Coughlin delegate.

Traveling along the same way as the Hi-Y and promoting good citizenship and moulding young women for leadership, the Y-TEENS have had a very successful year of fun and fellowship. Under the guidance of their adviser, Miss Eva Dixon, they have made this school year one that will never be forgotten. Together, the Hi-Y and Y-Teens have added a fine contribution to the good spirit of Coughlin High.

"Regular banking hours"—Monday

"A penny saved is a penny earned" say the BANK CASHIERS who perform their duties each Monday. Several of the homerooms achieved 100% during the year. The bank cashiers whose homerooms have had highest percentages receive recognition in chapel every week. The busy head cashier is Charles Acore; and his assistants are Irving Thomas, Jerome Roth, and John Stein.

The JOURNAL REPORTERS, advised by Mrs. Harrison, make their contribution by composing "Classics" for the JOURNAL. Their columns inform the students of activities of various members of their homerooms.

"Will you subscribe?" We are all indebted to the MAGAZINE SALESMEN who participated in the Magazine Subscription Campaign which was conducted last autumn. Because of their cooperative efforts all of us have had during the year a fund, made up of the profits from subscriptions, to be used for various improvements in our school. The students pictured were those having highest selling scores.

Color Song

Edward Yanchik '54

*They took the red from the flag we love
And knew that it would do.
From the field of stars,
Near the shining bars
They took the deepest blue.
A banner fair rose in the air,
And cheers rang to the sky.
And thus was born the banner
Of our dear old Coughlin High.*

*Your stalwart sons and daughters fair
Will ever praise thy name.
With faith and care
They all prepare
To find the paths to fame;
The years they spend, till school days end,
Will live as time goes by
Deep in the fondest memories
Of dear old Coughlin High.*

Chorus

*So let's cheer for Coughlin
The Red and the Blue.
To our Alma Mater
Let us ever be true.
Onward to victory,
Go marching through
While waving the banner
Of the Red and Blue.*

FOOTBALL

Red and Blue finish in second place

Coach John Stonik

Under the direction of their new mentor, Mr. John Stonik, the Coughlin Crusaders produced one of the finest football teams in Wyoming Valley during the 1951 season. In fact, when the season was over the Coughlinites were in second place in the Wyoming Valley Conference.

With only seven Lettermen returning from the 1950 season, the Coughlin Crusaders traveled to Plains, where they met and defeated the Plains Red Raiders by 19 to 6 score. The Red and Blue were in command through most of the thrilling contest.

In the next outing the Coughlinites subdued the Luzerne Lions by a 28 to 13 count. Ed Johnson scored three TD's in the wild contest.

The Plymouth Indians staged a goal line stand to deprive the Red and Blue of their third straight victory as the two elevens battled to a scoreless tie.

Newport High School handed the Coughlinites their second straight "draw" when they battled the Red and Blue eleven to a 6 to 6 tie. Both had troubles in getting any kind of an offensive attack clicking.

The Red and Blue next traveled to Nanticoke where they routed the home forces by a 21 to 0 score. Degnan, Gryczko, and Johnson made long gains throughout the game.

After that win, the Crusaders returned home to begin their quest for the City Championship. However, the Meyers Mohawks wrecked the Red and Blue's hopes when they scored a 13 to 6 "upset".

A heavy rain hampered most of the offensive play, as the Coughlin Crusaders and G. A. R. Grenadiers played to a 6 to 6 tie before about 4,000 drenched fans. All the scoring was done in the first half. This tie ended the Red and Blue's hope for a city championship.

In what many considered the hardest fought game of the season, the Coughlinites scored a 14 to 12 "upset" victory over the powerful Larksville Green Wave. The Red and Blue, sparked by the passing of Joe Degnan, twice came from behind to win this contest. Two Degnan passes to Cashmere accounted for the margin of victory.

On Thanksgiving Day, the Red and Blue ended their 1951 football season by whipping their rivals from Kingston by a 14 to 6 score. Ten seniors played their last game for C. H. S., as the Red and Blue climaxed a successful season.

Coach Anthony Ruddy

After establishing themselves as contenders for cage honors by romping over their 1951 exhibition foes, the Red and Blue hoopsters lost their winning touch and turned in an unsuccessful season.

The outstanding accomplishment of the 1951-52 Crusaders was their 64 to 62 victory over the strong Hazleton Mountaineers. This victory was the first scored by the Coughlinites in their series with the Mountaineers.

Although the Red and Blue failed to score a victory in the Wyoming Valley League, they always gave a good account of themselves. In fact, most of the contests were usually decided in the last quarter of this game.

G. A. R., Nanticoke, Hanover, Berwick, Newport, and Meyers all scored victories over the Crusaders in the final two minutes of play.

Yes! Lady Luck was indeed cruel to our cagers this season.

Joe Degnan, the Crusaders high-scoring forward, who led the Wyoming Valley League in scoring, was rewarded for his efforts by being named to the 1952 Wyoming Valley All-Scholastic Team.

Under the splendid coaching of Dave Mayer, the Red and Blue matmen entered their new wrestlers in the Y. M. C. A. Tournament, where Ronnie Iwicki took the championship in the 165 pound class finals.

The first dual meet of the season was against Nanticoke. The Crusaders lost by a score of 31 to 17.

The Red and Blue were defeated by G. A. R. 33 to 12. Zaccagni and Johnson gained falls while Wychock fought to a draw.

Coach Dave Mayer's boys defeated a strong Plymouth squad, 34 to 21. Coughlin's winners were Ulichny, Polacheck, D. Thomas, Zaccagni, I. Thomas, Sralik, and Johnson.

The Crusaders continued their winning by over-powering Hanover, 34-11. Pauster, D. Thomas, Perry, Zaccagni, I. Thomas, Wychock, Borys, and Johnson produced wins to keep Coughlin out in front.

The Coughlin Grapplers won the city championship by scoring 12 points on six triumphs against Meyers who collected 10 points on four wins. The winners for C. H. S. were Pat Rogan, Londo Zaccagni, Irving Thomas, Tom Wychock, Ron Iwicki and Ed. Johnson.

The fifth dual meet of the wrestling season was with Kingston. Coughlin lost by a score of 25-8. But the Coughlin matmen scored their best win of the season when they defeated a rough Meyers squad 28-13.

Tom Wychock and Ed Johnson took the finals in the district meet.

Ed Johnson, our 185 pound heavyweight, went through the grappling season undefeated.

BASEBALL

Season ends with Coughlin victorious

The "national game"

Coughlin finished the 1951 season with an impressive record of five wins and three losses. The Crusaders were in the thick of the championship race until the final game of the season when they suffered a heartbreaking defeat at the hands of G. A. R., thus giving the championship to Hanover. Coughlin's 1952 team was built around such veterans as Baran, who will captain the team, and other outstanding players as: Featherstone, Degnan, Kraynanski, and Ruddy.

Coughlin started out the 1952 season at a terrific speed breezing by Newport with the score of 11 to 4. Leonard received credit for the win as he had complete control over the Newport team throughout the game. Batting star for the Coughlin team was Kraynanski who had three hits in four turns at bat, including two doubles. Newport, at no time, threatened. The final score was—Coughlin 11, Newport 4.

In the opening game in the Wyoming Valley League, Coughlin opened against Meyers and was defeated by the score of 6 to 3. Wychock pitched an excellent game, but the team just couldn't seem to get their batting-eye and dropped the game by the final score of 6 to 3.

In the second game the Crusaders traveled to Hanover where they were handed a decisive set-back at the hands of last year's champions, by the convincing score of 8 to 0. Wychock and the boys couldn't get moving, and the boys from Hanover had their batting eyes with them throughout the entire game.

In a game played at the Pine Ridge diamond, Coughlin gained a first win in league competition by the score of 9 to 1. Leonard was complete master of the game throughout and received good support from the rest of the team. The outstanding hitter was Degnan who had a triple. The final score was Coughlin 9, Kingston 1.

Coughlin's season is coming to a close and many seniors are now playing the final game for their Alma Mater. Among those who are playing the last game are: J. Baran, captain of the 1952 team; Featherstone, Ruddy, Kraynanski, Keyes, Greeley, and Niedzwiki. To these players we wish the best of luck.

With Mr. Bernard Cobb resuming as track coach, the opening meet of the season was held against the team's pet rival, Kingston. But the experienced Huskies proved to be a bit stronger as they edged out the Coughlin Squad by a $67\frac{1}{2}$ to $59\frac{1}{2}$ score.

At the following contest, Coughlin squeezed to victory by defeating Hanover and Forty Fort with a total of $58\frac{1}{10}$ to 58 to $18\frac{9}{10}$ points, respectively. Miller won the mile and 880; Johnson, Klein, and Kwak the shot put; Teslichko the 440, and Cashmere the broad jump.

On May 3, Coughlin humbled Meyers, $68\frac{1}{2}$ to $58\frac{1}{2}$ with Harkins getting 10 points.

Seniors serving their last year on the team are: Miller, Cashmere, Harkins, Perkowski, Klein, Johnson, Zaccagni, Kovalick, Bellas, and Henry.
